SERVING MD & DC

Established in the greater Washington area in 2007, Friendship Circle is dedicated to helping individuals with disabilities become more fully integrated into the community. Our programs enable individuals with disabilities to enjoy the camaraderie of teen and young adult volunteers in a full range of activities.

The Friendship Circle enriches the lives of all its participants through mutually advantageous interactions, creating lasting friendships that strengthen the broader Jewish community.

Friendship Circle is a 501 (c) (3) organization.

Join the Circle.

The Friendship Circle facilitates friendships between individuals with disabilities and spirited volunteers. Through a wide range of social, educational and Jewish programs, the two share fun and love building a friendship that deeply enriches both their lives.

“Our goal is to provide everyone, regardless of ability, the opportunity to be a part of the Jewish community and to enjoy the beauty of each others friendship”

Chana Kaplan,
Friendship Circle Director
